Notes

- Licences were awarded in 2006 and a US\$0.5 million signature bonus was paid. Tullow has been awaiting Presidential ratification of the awards since that time. On 18 June 2010 the government awarded the licences via Presidential Decree to two British Virgin Islands registered companies. Tullow has commenced legal proceedings to challenge this award.
- Tullow has 'Back-In Rights' on this licence as well as a working interest.
- Back-In Rights: Tullow has the option, in the event of a development, to acquire varying interests in these licences.
- A utilisation agreement has been signed by the partners of the West Cape Three Points and Deepwater Tano licences for the area covering the Jubilee Field Phase 1 Development Area.
- Tullow is the Unit Operator and Kosmos is the Technical Operator for Phase 1 of the Jubilee development.
- On 26 July 2010 Tullow completed the acquisition of Heritage Oil's 50% interest in Blocks 1 & 3A. However this transaction awaits final government approval.
- Tullow has negotiated a farmdown of its interests in Blocks 1, 2, 3A to CNOC and Total.
