DEAR SHAREHOLDER

Annual General Meeting 2016

The Annual General Meeting (the "AGM") of the Company will be held at the London offices of Tullow Oil plc at 9 Chiswick Park, 566 Chiswick High Road, London W4 5XT on Thursday 28 April 2016 at 12 noon. The Notice convening the AGM is set out on pages 7 to 11 of this document. A Form of Proxy and a prepaid reply envelope for use in respect of the AGM are enclosed. A location map is shown on the reverse of the attendance card that detaches from the Form of Proxy. I would like to take this opportunity to give you some information about the resolutions to be considered at the AGM.

Resolution 1: Reports and accounts

This Resolution deals with the receipt and adoption of the accounts for the financial year ended 31 December 2015 and the associated reports of the Directors and auditors.

Resolution 2: Directors’ Remuneration Report

In accordance with the Companies Act 2006 (the "Act"), the Company’s Directors’ Remuneration Report is now divided into three parts: (i) the Annual Statement by the Chairman of the Remuneration Committee; (ii) the Directors’ Remuneration Policy Report; and (iii) the Annual Report on Remuneration.

- The Annual Statement by the Chairman of the Remuneration Committee (which is set out on pages 90 to 91 of the accounts for the financial year ended 31 December 2015 and the associated reports of the Directors and auditors) provides a summary of the Directors’ Remuneration Policy Report and the Annual Report on Remuneration.

- The Directors’ Remuneration Policy Report (which is set out on pages 92 to 97 of the Annual Report and Accounts) sets out the Company’s future policy on Directors’ remuneration. This policy report was approved by shareholders at the 2014 annual general meeting. As no changes are proposed to be made to the policy and the approval obtained at the 2014 meeting is effective for three years, no shareholder approval of the policy report is being sought this year.

- The Annual Report on Remuneration is set out on pages 97 to 106 of the Annual Report and Accounts and gives details of the payments and share awards made to the Directors in connection with their and the Company’s performance during the year ended 31 December 2015. It also details how the Company’s policy on Directors’ remuneration will be operated in 2016 (although, for ease of reference, those details have also been presented within the Directors’ Remuneration Policy Report).

Resolution 3 to 13: Re-election of Directors

These Resolutions deal with the re-election of Directors.

Graham Martin has previously announced his intention to resign as a Director of the Company and so will not stand for re-election.

Save for Mr Martin, and in accordance with the provisions of the UK Corporate Governance Code, each of the Directors will stand for re-election.

Following an independent evaluation of the Board’s performance conducted by Lintstock in 2013, follow-up internal evaluations facilitated by Lintstock were undertaken in 2014 and 2015 (for further details see page 73 of the Annual Report and Accounts). As a result of the most recent evaluation, the Board is satisfied that each Director has the skills, experience and commitment necessary to contribute effectively to the deliberations of the Board. The Board therefore unanimously recommends the re-election of the Directors set out in Resolutions 3 to 13. The Board will commission a new external evaluation of the Directors in 2016.

Biographical details of each of the Directors standing for re-election appear on pages 5 to 6 of this document.

Resolutions 14 and 15: Appointment of auditors

These Resolutions deal with the re-appointment of Deloitte LLP as auditors of the Company and the authorisation of the Audit Committee to determine their remuneration.

Resolution 16: Directors authority to allot shares

This Resolution is proposed to be taken as an ordinary resolution to give authority to the Directors to allot shares. At last year’s AGM, the Company gave authority to the Directors to allot shares and other securities up to a specified amount. The Directors propose to seek shareholder approval for this authority to be renewed at this year’s AGM. This Resolution will, if approved, renew the Directors’ authority to allot shares until the conclusion of the AGM to be held in 2017 or 30 June 2017, whichever is the earlier. This authority is restricted to the allotment of shares having an aggregate nominal value of up to £30,389,408.20 representing approximately one third of the Company’s issued ordinary share capital on 1 March 2016.

The Company does not currently hold any shares in treasury. The extent of the authority follows the guidelines issued by institutional investors. There are no present plans to allot shares, other than in respect of employee share schemes.
Resolution 17: Dis-application of pre-emption rights

This Resolution is proposed to be taken as a special resolution to dis-apply pre-emption rights. Section 561 of the Act gives all shareholders the right to participate on a pro rata basis in all issues of equity securities for cash, unless they agree that this right should be set aside. The effect of this resolution is to empower the Directors, until the conclusion of the AGM to be held in 2017 or 30 June 2017, whichever is the earlier, to allot equity securities for cash, without first offering them on a pro rata basis to existing shareholders, but only up to a maximum nominal amount of £9,116,822.46, representing approximately 10% of the Company’s issued ordinary share capital on 1 March 2016.

The authority to allot up to 10% of the Company’s issued ordinary share capital follows guidance from the Pre-Emption Group’s revised Statement of Principles (the “Principles”), published on 12 March 2015. The Directors confirm their intention to only allot shares representing more than 5% of the issued ordinary share capital of the Company for cash pursuant to this authority, where that allotment is in connection with an acquisition or specified capital investment (within the meaning given in the Principles) which is announced contemporaneously with the allotment, or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

The Directors also confirm their intention to follow the provisions of the Principles regarding cumulative usage of authorities within a three-year rolling period where the Principles provide that usage in excess of 7.5% of the Company’s issued ordinary share capital should not take place without prior consultation with shareholders, except in connection with an acquisition or specified capital investment as above.

In addition, the resolution empowers the Directors to deal with fractional entitlements and any practical problems arising in any overseas territory on any offer made on a pro rata basis. The Directors consider that it is appropriate for this authority and these powers to be granted to preserve maximum flexibility for the future.

Resolution 18: Notice of general meetings

This Resolution is proposed to be taken as a special resolution, and seeks shareholder approval for holding general meetings on 14 clear days’ notice. Under the Act, the notice period for the holding of general meetings (other than an annual general meeting) of a company is 21 clear days unless shareholders agree to a shorter notice period and certain other conditions are met. The Company currently has the power to call general meetings (other than annual general meetings) on 14 clear days’ notice. The Board believes it is in the best interests of shareholders to preserve the shorter notice period and, accordingly, proposes that Resolution 18 be passed as a special resolution.

The Board confirms that it will only call general meetings on shorter notice for non-routine business and where the timing of the meeting is considered to be urgent and abridged notice is considered to be in the interests of shareholders as a whole. If this Resolution is passed, the authority to convene general meetings on 14 clear days’ notice will remain effective until the conclusion of the AGM to be held in 2017.

Resolution 19: Share purchases

This Resolution seeks, as a special resolution, shareholder approval, to allow the Company to make market purchases (within the meaning of section 693(4) of the Act) of the Company’s ordinary shares on such terms and in such manner as the Directors may determine from time to time, subject to the limitations set out in this Resolution. If this Resolution is passed, the Company will be authorised to purchase up to a maximum of 91,168,225 ordinary shares, representing approximately 10% of the Company’s issued ordinary share capital on 1 March 2016. This Resolution also sets out the minimum and maximum price that the Company may pay for purchases of its ordinary shares.

If this Resolution is passed, the authority for the Company to purchase its ordinary shares will remain effective until the conclusion of the AGM to be held in 2017 or 30 June 2017, whichever is the earlier. Under the authority sought by this Resolution, the Company may purchase its ordinary shares following the date on which the authorisation expires if such purchases are made pursuant to contracts entered into by the Company on or prior to the date on which the authority conferred by it expires.

The Directors will only exercise this buy-back authority, after careful consideration, when it is in the best interest of shareholders generally, taking into account market conditions prevailing at the time, other investment opportunities, appropriate gearing levels, the expected effect on earnings per share and the overall financial position of the Company. The Directors do not have any current intention to exercise the buy-back authority if approved. Purchases would be financed out of distributable profits and shares purchased would either be cancelled (and the number of shares in issue reduced accordingly) or held as treasury shares.

The Company operates certain share option schemes under which awards may be satisfied by the allotment or transfer of ordinary shares to a scheme participant. As at 1 March 2016, options were subsisting over 66,604,020 ordinary shares (the “Option Shares”) representing approximately 7.31% of the Company’s issued share capital. If the authority to purchase the Company’s ordinary shares (as described in this Resolution) were exercised in full, the Option Shares would represent approximately 8.12% of the Company’s issued share capital. If the Company were to purchase the Option Shares at the average market price prevailing at the conclusion of the AGM, the net proceeds from such purchases would be approximately £9,116,822.46, representing approximately 10% of the Company’s issued ordinary share capital on 1 March 2016. As at 1 March 2016, the Company did not hold any shares in treasury and there were no warrants over the Company’s ordinary shares.
Poll voting
Each of the resolutions to be considered at the AGM will be voted on by way of a poll. This ensures that shareholders who are not able to attend the AGM, but who have appointed proxies, have their votes fully taken into account. Any Directors who have been appointed as proxies will cast those votes as directed by the person who appointed them. The results of the polls will be announced to the London Stock Exchange and published on the Company’s website as soon as possible after the conclusion of the AGM.

Action to be taken
A Form of Proxy and a prepaid reply envelope for use in respect of the AGM are enclosed. Please complete, sign and return the enclosed form as soon as possible in accordance with the instructions printed thereon whether or not you intend to be present at the AGM. The Form of Proxy should be returned so as to be received by the Company’s registrar, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY as soon as possible and by no later than 12 noon on 26 April 2016. You can also appoint a proxy online at www.investorcentre.co.uk/eproxy or through CREST.

Further details of how to do so are set out in the notes to the Notice of AGM on pages 9 to 13 of this document.

Ghanaian shareholders
To allow our shareholders in Ghana to participate in the AGM, we have put in place special procedures for them to cast their votes and appoint a proxy. The procedures are explained in advertisements we have placed in local newspapers in Ghana. In summary, Forms of Proxy may be obtained from our registrars in Ghana. If any of our Ghanaian shareholders need further assistance, they should contact Central Securities Depository (Ghana) Limited, 4th Floor, Cedi House, P.M.B CT, 465 Cantonments, Accra, Ghana (telephone +233 (0) 302 689 313 / 689 314) or email info@csd.com.gh.

Recommendation
Your Directors believe that the resolutions to be proposed at the AGM are in the best interests of the Company and its shareholders as a whole and unanimously recommend that you vote in favour of them, as they propose to do so in respect of their own shareholdings.

Yours faithfully

If a member does not have this information, they will need to contact the Registrar by telephone on +44 (0) 370 703 6242 or by logging onto http://www.investorcentre.co.uk/contactus. 4. Appointment of a proxy using a Form of Proxy
A Form of Proxy for use in connection with the AGM is enclosed. To be valid, a Form of Proxy or other instrument appointing a proxy, together with any power of attorney or other authority under which it is signed or a certified copy thereof, must be received by post or (during normal business hours only) by hand by the Registrar at The Pavilions, Bridgwater Road, Bristol BS99 6ZY no later than 48 hours (excluding non-working days) before the time of the AGM or any adjournment of that meeting.

5. Appointment of a proxy through CREST
CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual and by logging on to the following website: http://www.euroclear.com. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider[s], should refer to their CREST sponsor or voting service provider[s] who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited’s specifications and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Registrar (ID 3RA50) no later than 48 hours (excluding non-working days) before the time of the Annual General Meeting or any adjournment of that meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the Registrar is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service provider[s] should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy instructions.
It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed (a) voting service provider(s), to procure that their CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
