

### **Applications for the 2019/2020 Tullow Tertiary STEM Scholarship open.**

The Tullow Tertiary STEM Scholarship enters its second year of implementation in the 2019/2020 academic year at the University of Ghana (UG), Legon and Kwame Nkrumah University of Science and Technology (KNUST). The scholarship scheme is a key component of Tullow's Socio-Economic Investment (SEI) strategy and started in 2018. The objective is building capacity through education and skills acquisition in STEM.

#### **Eligibility:**

The scheme targets **brilliant** Ghanaian students from **underprivileged backgrounds** to secure sponsorship to complete a 4-year intensive Science Technology Engineering and Mathematics (STEM) related undergraduate degree or a 2-year master's degree in STEM related programmes. 50% of the scholarship has been allocated to indigenes of the Western Region.

UG and KNUST have opened applications for the 2019/2020 academic year.

For UG, applicants can:

- Apply through the Students Financial Aid Office located at **House No. 11 East Legon - Main Campus** behind the College of Agriculture and Consumer Sciences and opposite CEGENSA for more information.
- Contact the Students Financial Aid Office on **020-518-6904/0302- 945-312**
- Email: [finaid@ug.edu.gh](mailto:finaid@ug.edu.gh) for enquiries.

For KNUST, applicants can:

- Apply through the College of Engineering
- Contact the Secretariat on +233-208394052/ +233-3220-93435
- Email: [fece@knust.edu.gh](mailto:fece@knust.edu.gh) for enquiries.

Encourage someone to apply. This initiative will help us meet our objective of building capacity through education and skills development in STEM to support Ghana's development.
